Retailer Comments

Looking for a new car at an affordable price? This Jaguar won't be on the lot long! First and foremost is the striking exterior. A turbocharger further enhances performance, while also preserving fuel economy. Jaguar prioritized practicality, efficiency, and style by including: an automatic dimming rear-view mirror, power windows, and seat memory. Under the hood you'll find a 4 cylinder engine with more than 200 horsepower, providing a smooth and predictable driving experience. Well tuned suspension and stability control deliver a spirited, yet composed, ride and drive. With a friendly and knowledgeable sales staff, superb customer care, and competitive prices, we're looking forward to serving you.
