Retailer Comments

This vehicle won't be on the lot long! It delivers style and power in a single package! A turbocharger further enhances performance, while also preserving fuel economy. Jaguar prioritized practicality, efficiency, and style by including: front and rear reading lights, heated seats, and voice activated navigation. Under the hood you'll find a 4 cylinder engine with more than 200 horsepower, and for added security, dynamic Stability Control supplements the drivetrain. We know that you have high expectations, and we enjoy the challenge of meeting and exceeding them! Stop by our dealership or give us a call for more information.
