Retailer Comments

Check out this great value! This is an exceptional vehicle at an affordable price! The engine breathes better thanks to a turbocharger, improving both performance and economy. All of the premium features expected of a Jaguar are offered, including: voice activated navigation, a headlight cleaning system, and power seats. Under the hood you'll find a 4 cylinder engine with more than 200 horsepower, and for added security, dynamic Stability Control supplements the drivetrain. We pride ourselves in consistently exceeding our customer's expectations. Stop by our dealership or give us a call for more information.
