This 2024 Jaguar F TYPE R75 P575 AWD Coupe is a Clean CARFAX vehicle that is now Jaguar Approved Certified, representing the final and most powerful evolution of Jaguars iconic sports car. Finished in SVO Premium Palette Grey over Ebony Windsor leather performance seats, this F TYPE delivers stunning design and supercharged performance from its 5.0L V8 producing 575 horsepower and 516 lb ft of torque. Paired with all wheel drive, this coupe launches from 0 to 60 mph in approximately 3.5 seconds while maintaining the unmistakable sound and character Jaguar is known for. This example is exceptionally well equipped with the R75 package and exclusive SV Bespoke enhancements including custom SVO paint, full extended leather interior, and premium finishes throughout. Additional highlights include 20 inch Style 1041 wheels, Meridian Surround Sound System, and Jaguars advanced performance and driver assistance technologies. This is a rare opportunity to own one of the last V8 powered F TYPE models with bespoke specification and collector level appeal.
