Retailer Comments

Check out this great low mileage vehicle! Assembled with the most discerning driver in mind. The engine breathes better thanks to a turbocharger, improving both performance and economy. This vehicle has achieved Certified Pre-Owned status, by passing Jaguar's comprehensive certification process. With less than 10,000 miles on the odometer, this 4 door sport utility vehicle prioritizes comfort, safety and convenience. Jaguar prioritized handling and performance with features such as: front and rear reading lights, power door mirrors and heated door mirrors, and remote keyless entry. Under the hood you'll find a 4 cylinder engine with more than 200 horsepower, and for added security, dynamic Stability Control supplements the drivetrain. Our aim is to provide our customers with the best prices and service at all times. Stop by our dealership or give us a call for more information.
