Retailer Comments

Looking for a used car at an affordable price? Check out this 2025! It just arrived on our lot, and surely won't be here long! Turbocharger technology provides forced air induction, enhancing performance while preserving fuel economy. This vehicle has achieved Certified Pre-Owned status, by passing Jaguar's comprehensive certification process. With less than 10,000 miles on the odometer, this 4 door sport utility vehicle prioritizes comfort, safety and convenience. Jaguar prioritized practicality, efficiency, and style by including: voice activated navigation, rain sensing wipers, and power seats. Smooth gearshifts are achieved thanks to the 3 liter 6 cylinder engine, and for added security, dynamic Stability Control supplements the drivetrain. We know that you have high expectations, and we enjoy the challenge of meeting and exceeding them! Stop by our dealership or give us a call for more information.
