## Retailer Comments

How about this great vehicle! Ingenuity, refinement, and sophistication all rolled into one vehicle. A turbocharger further enhances performance, while also preserving fuel economy. This vehicle has achieved Certified Pre-Owned status, by passing Jaguar's comprehensive certification process. Jaguar prioritized comfort and style by including: automatic dimming door mirrors, turn signal indicator mirrors, and power front seats. Under the hood you'll find a 4 cylinder engine with more than 200 horsepower, and for added security, dynamic Stability Control supplements the drivetrain. We know that you have high expectations, and we enjoy the challenge of meeting and exceeding them! Please don't hesitate to give us a call.
