This luxury SUV offers a commanding presence on the road while providing a refined driving experience that remains composed in any environment. With low mileage and the assurance of a comprehensive Jaguar Certified Pre-Owned inspection, this vehicle delivers peace of mind alongside its striking aesthetic. Performance Under the hood, the turbocharged engine provides responsive power and effortless acceleration, making highway merging and city driving equally engaging. The advanced all-wheel drive system continuously monitors road conditions to optimize traction, while the eight-speed automatic transmission delivers smooth, nearly imperceptible gear changes. This powertrain is engineered to balance spirited performance with everyday efficiency. Design The exterior showcases a sculpted hood and a bold mesh grille complemented by signature double J-blade LED headlights. Its athletic silhouette is further enhanced by the Black Exterior Pack and elegant alloy wheels that emphasize its sporty character. Inside, the cabin is a sanctuary of premium materials, featuring Duo Leather sport seats with grid perforation and an embossed Jaguar leaper, all framed by a panoramic glass roof that floods the space with natural light. Technology The centerpiece of the interior is the Pivi Pro infotainment system, which features an intuitive curved glass touchscreen. This interface provides seamless integration for wireless smartphone connectivity and navigation. Drivers will appreciate the interactive driver display and the convenience of wireless device charging, while the premium Meridian sound system provides an immersive audio experience for every passenger. Advanced Safety Features Confidence comes standard with a comprehensive suite of driver assistance technologies. This F-PACE is equipped with adaptive cruise control and steering assist to help ease the burden of long commutes. Additional protective features include blind spot assist, lane keep assist, and emergency braking with pedestrian detection. A surround-view camera system and parking sensors make navigating tight spaces simple and stress-free. Convenience and Comfort Every journey is elevated by thoughtful amenities designed for maximum relaxation. The heated electric memory front seats allow for personalized comfort, while the heated leather-wrapped steering wheel is perfect for cooler mornings. For added utility, the powered tailgate provides easy access to the generous cargo area, and keyless entry ensures you can begin your journey without ever reaching for your remote.
